we usually spend more than 18 years in school studying memorizing and being tested on subjects that often don t apply in the corporate world even if some are valuable to conducting business effectively most educational institutions fall woefully short of preparing us for management causes action through authority leadership causes action through alignment and especially not high performance leadership causes action through alignment and inspiration therefore it can take years to discover practice and master key elements of successful high performance leadership there are thousands and thousands of books about leadership and business and many of them are truly wonderful however most of them are the same as all the rest because they focus on famous people and their achievements or academic principles the tao of high performance leadership is different it is unique because it is about you and your path tao to high performance and success the format utilized offers the reader choices which distinguishes it not only from other books but also other readers whether or not you are a manager or consider yourself a leader or work at a large organization or small company you will be guided to make key choices

regarding your customized curriculum your path rather than read lots of pages of didactic information that is rarely applied or retained our strategy for mastery relies on personal discovery and personal development you will be guided to ask three key questions to determine your individual focus what do you need to keep what are you good at and need to enhance what do you need to delete what barriers stop you what do you need to create what new attributes can you master your answers will determine which specific chapters apply to you this means you don t have to read the entire book unless you want to and allows you to learn quickly each chapter provides insights through distinctions quotes short stories challenges and even some examples of goals that allow you to practice your new knowledge and turn insight into mastery to become that rare high performance leader executives need new exciting thinking because if you always think what you ve always thought and always do what you ve always done you ll always get what you ve always gotten and think what you ve always thought combining new thinking with practicing new actions makes learning both useful and fun this in turns makes the journey to high performance leadership profound you will discover the possibilities of your powerful intention and the tools to manifest it today is the tomorrow you promised yesterday get started

immediate and immensely readable this masterful account is at the same time a work of major biographical scholarship john sutherland penetrates into the darker areas of scott s life in a sceptical yet sympathetic spirit bringing the massive oeuvre and the chronicle of the life into manageable proportions one illumining the other scott the great unknown has always presented challenges to the biographer layers of myth continue to protect him from posterity there is also the sheer size of scott s achievements as poet novelist man of letters and self made laird of abbotsford sutherland justifies scott as a writer to be read and understand today as much as in his heyday in the nineteenth century
